

Waukesha North Girls Basketball Club

Jr. Northstars Girls Basketball Program 2020-2021

The WNGBC thrives on positive reinforcement through teaching basketball fundamentals, building confidence with game play, and is designed to prepare all athletes for competition at the high school level.

The Northstars Basketball Club's Non-Profit Tax Exempt #'s State: ES43321 Fed: 39-6005053

Thank you for your consideration in being a proud sponsor of youth basketball for our girls! At the beginning of this season, we heavily invested our time & resources into revamping our organization's website in an effort to streamline program information. Our goal was to have ALL web traffic flow through the site:

- Club information • General inquiries • Registration • Team updates • Spirit Wear •
- 3rd Grade League • Annual "Shoot For The Stars" Tournament • Summer Camps •
- Locations • Mailing List • Events • Contact Info •
- **Sponsors** •

And we were able to accomplish this! Our site has seen a 400% increase in traffic since August. Now we'd like to share this exposure opportunity with our community partners & supporters by having your company be recognized & linked to by our families, friends, & fans. Through your generosity, we can continue to give our youth the experiences they deserve.
